What Happens when
South-East Corner
is
Cut-Short or Missing
in the Property
?

Vastu Shastra :- South
Corner is Cut-Short or

Rotate Crop

North West	North	North East
West	Centre	East
South West	South	South East

The Fire element of SE is also related to sex and married life. So if a toilet/bathroom or an underground water body or a cut is present in SE, it can cause hurdles in getting married or in married life or in conceiving a child. In case of any water body or a bath room in SE, one of the daughters may remain unhappy in her married life.
